

A Celebration of America's Music: From Plymouth Rock to Rock & Roll

Technical Rider

This is a multimedia performance featuring four musicians playing acoustic instruments and singing. Images are projected onto a screen from a laptop computer on a small stand in front of lead singer Matthew Sabatella. The artist provides the computer and stand. The venue provides an HDMI cable onstage and a projection system or video monitor that can show the images behind the band above their heads or to the side. Ideally, the set up looks like this:

Name	Instrument(s)	Requires
Matthew Sabatella	Acoustic guitar, banjo, mountain dulcimer, lead vocal	1 vocal mic 1 instrument mic
Jack Stamates	Fiddle, backing vocal	1 instrument mic (he sings into his instrument mic)
Sean Edelson	Mandolin, acoustic guitar, backing vocal	1 vocal mic 1 instrument mic
Chris DeAngelis	Double bass, backing vocal	1 vocal mic 1 D.I. (he brings an amp and speaker for onstage monitoring)

Stage Layout

VM = Vocal microphone

IM = Instrument microphone

DI = Direct Input

HDMI = HDMI cable for laptop computer onstage

P = AC power outlet
